EVENING SESSION OF
THE COLLEGE OF ARTS AND SCIENCE

DIVISION OF VOCATIONAL SUBJECTS
AND CIVIC ADMINISTRATION

October 30th, 1918.

President University of Toronto,
Toronto, Canada.

Dear Sir:

The Executive Committee of the Association of Urban Universities has voted unanimously to omit the annual meeting of the Association which was to have been held in Boston during the month of November. The Executive Committee came to this decision because it was learned that very few of our members could participate and that most of them were entirely pre-occupied with the work of the Students' Army Training Corps.

The Executive Committee has not yet settled the question concerning the payment of dues for this year. I shall communicate with you later, stating whether dues will be suspended or not.

However, a great many of our Institutions have not paid their dues for the year now ending, and we should like to have remittances for that year.

Very sincerely yours,

FBR RHH

St. Nicholas Terrace and 139th Street, New York.

Dear Dr. Robinson:

I am not sure from your letter whether or not the University of Toronto has paid its fees to the Association of Urban Universities for the year now ending. If you would ask the Treasurer to send in a requisition I will see that it is attended to immediately.

Yours sincerely,

President.

Dear Sir:

I have received your letter with regard to the meeting of the Association of Urban Universities to be held next November. It seems to me that the outline that you give contains very many useful suggestions, and nothing occurs to me at present which I should wish to add to it.

Yours sincerely,

President.
